Label Your Divider Tabs

We highly recommend that you use the sticker type of label-tabs and write in the last name, first initial of the participant. Stick this tab on the Sheet Proctor holding the Player Card. (This could be one of the last things you do). It speeds up the weigh in process and really helps the weighmaster and coach.

Rule Book

A copy of the **2022 AYF Football Rule Book** must be included in the front of all books. (print at MyAyf.com)

Use front and back printing to save space, and make sure you staple the book. Then place both documents in the same sheet protector.

This document is the first in the book, before the **Rosters/MPR** divider tab.

Please note: Every coach should print a copy of the rule book, and thoroughly understand its contents. **They will need a copy at our certification.**

Why do we have a rule book in every book? We require a copy in each book to alleviate any disputes, regarding the interpretation of our rules and regulations.

1. Rosters/MPR

The next two pages after the rulebook is your **Official Rosters**. This is a two-page document and should be placed front to back, in one sleeve protector.

2 Roster copies are required, and both those rosters will be certified by the conference.

Be sure to **type** all information completely.

3. Players

So far you should have your rule books, roster, and MPR forms in your binder. The next section is for your players, and starts with the **Participant, Tracking and ID Card**.

*Many people also call this the **PLAYER CARD**

*Don't forget: Players are listed in alphabetical order by last name.

Please Note: Jersey Numbers are required on the Players Card.

*Player cards should be printed on **thick cardstock paper**, and ideally, this should be one sheet, using front to back printing.

*If you cannot merge the picture prior to printing, it is highly recommended that you merge your player pictures on mailing/shipping labels. The space on the card is 2 ½" tall by 3 ½" wide. (sample is on page 10). This way you can print your cards in black and white, but have a color picture. Using the label is also a better option than taping and gluing pictures.

*This form is used by the league to certify that all the documents are present. We will train you on how this card is stamped at our certification clinic.

Important Note: Use Clean cards. Don't recycled or modified them in any way.

AYF Code of Conduct Form

Have your participant sign it, have the parent sign it, and also provide them with a copy they can take home.

This is how we police our behavior on the field, and it is very important to review this with EVERY person in your organization.

It will go on the back side of the **Image release** sleeve protector.

2022 - AYF Code of Conduct Form

(insert) ASSOCIATION NAME will not tolerate verbal abuse of its volunteer coaches from any Fan, Parent or Spectator.

This is American Youth Football, not the pros. Fans, as well as the players and coaches, are expected to abide by a code of conduct at all American Youth Football Events. While 99% of the adults in the program will abide by this code without being told, this code is being published to protect the children and volunteers (which includes all coaches and board members) from the 1%.

FANS' CODE OF CONDUCT

Fans will abide by a Code of Conduct which includes the provisions which follow. If any of these rules are broken, (insert) ASSOCIATION NAME shall have the authority to impose a penalty.

Fans shall:

1. Not criticize the players/cheerleaders or coaches in front of the other spectators in the stands, but reserve constructive criticism for later, in private.
2. Accept decisions of the game officials (including referees and coaches) on the field as being fair and called to the best ability of said officials.
3. Not criticize an opposing team, its players, coaches, or fans by word of mouth or by gesture.
4. Refrain from using physical or verbal abuse or profane language at any time at the game, practice field, or other AYF functions.
5. Abstain from being under the influence of or in possession of and/or drinking alcoholic beverages and the possession or use of any illegal substance on both the game and practice fields.
6. Not be allowed on the sidelines during a game.
7. Not interfere/interrupt the coaching staff before, during or after games or at practice.
8. Not express complaints about coaches in stands or to coaches in front of or around the children (i.e. right after a game or practice).

VIOLATION

Any parent or fan who violates the code of conduct risks the further participation of the child in the program. The procedure is as follows:

1. Any fan who violates the code of conduct or becomes a nuisance will be asked to leave by the head coach and can be suspended from all team activities.
2. If the fan fails to leave upon request, the child may be suspended from further participation in team activities by the head coach.
3. The head coach along with the executive board will decide if the duration of the suspension is to be longer than one to four weeks or if the child will be dropped from the program. That decision will depend on the attitude of the parents.
4. Any parent or fan who violates the code of conduct risks the future participation of his/her children in the program. Depending on the severity of the incident the board of directors may decide to ban future participation in the program for up to three years.

CONDUCT OF ALL PLAYERS - PARENTS

All players are guaranteed 6 plays in each Jamboree, Regular Season or Playoff game. Everything beyond that must be earned in the opinion of the coaching staff whose decisions are final.

- A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
- Some of the symptoms of concussion may be noticed right away while other symptoms can show up hours or days after the injury.
- If I suspect a teammate has a concussion, I am responsible for reporting the injury to the staff.
- I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion related symptoms.
- I will not return to play in a game or practice until my symptoms have resolved AND I have written clearance to do so by a qualified healthcare professional.
- Following concussion the brain needs time to heal and you are much more likely to have a repeat concussion or further damage if you return to play before your symptoms resolve.

Based on the incidence of concussion as published by the CDC football and cheer, among other sports, have been identified as high risk for concussion.

I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document and agree to be bound by this document.
